Monday 12 th March 2018 7:00 PM	Perth Wood School 1/119 Welshpool Rd Welshpool 6106 - see map	<i>Monthly Meeting</i> The first meeting at the new Perth Wood School premises – on Welshpool Rd with access from there or from Ewing St. The main event on the night will be Derek Cohen's talk about the new, available only last year, Veritas combination plane which Derek had some input to the development of. Kevin Luff will also give some information on a drystone sharpener he uses. ◆ <i>News</i> • <i>Show, Tell & Ask</i>

The program for our monthly meetings, and for some weekend seminars, is being developed by you committee and will be published as soon as we can confirm events. On the agenda are informative talks and demonstrations by our members, and by invited guests, on topics of special interest to all wood workers.

Remember that if you have any particular wood working tool, machinery or technique that would be of interest to other wood workers, the *Show, Tell & Ask* time at each meeting is where you can enlighten your fellow members. Or if there is a particular subject you would like more in depth information on then please mention it to a committee member and we will try to include it in a future meeting.
